NG'S 1ST ANNUAL STUFF A TRUCK A HUGE SUCCESS

We here at SANG would like to take this time and thank the staff; our members, Rich Valley School and Onoway Elementary School for assisting us in raising 2572.50 pounds of food and \$425.00, which was donated from the teachers at the Onoway Elelmenatry School. Not only was it amazing experiece for our staff ; but also for the children at the school. The winning class from each school that accumulated the most items was given a pizza/subway party on behalf of SANG for all their hard work. Rev. Rick Foster from the Lac Ste Anne East Food Bank was overwhelm with the generosity of the community, especially during this downturn in the economy. We hope next year to double the amount of food donated with the help from our amazing community.

Merry Christmas and Happy New Year from SANG
